

## Recipients of the 2007 Argonne Named Fellowships

**Gregory J. Halder**, PhD, University of Sydney, Australia, was awarded the Arthur Holly Compton Postdoctoral Fellowship. Dr. Halder will join the Materials Science Division in July.

**Ross Young**, PhD, University of Adelaide, Australia, was awarded the Eugene P. Wigner Postdoctoral Fellowship. Dr. Young will join the Physics Division in September.

**Jama Zaumseil**, PhD, University of Cambridge, UK, was awarded the Ugo Fano Postdoctoral Fellowship. Dr. Zaumseil will join the Center for Nanoscale Materials Division in October.

## First Recipients of the Director's Postdoctoral Fellowship

**Jay Hubisz**, PhD, Cornell University, Ithaca, NY. Dr. Hubisz joined the High Energy Physics Division.

**David Martin**, PhD, State University of New York at Stony Brook. Dr. Martin joined the X-Ray Science Division.

**Sanghyun Park**, PhD, University of Illinois at Urbana-Champaign. Dr. Park joined the Mathematics and Computer Science Division.

## Postdoctoral Activities

### Reception Hosted by Laboratory Director

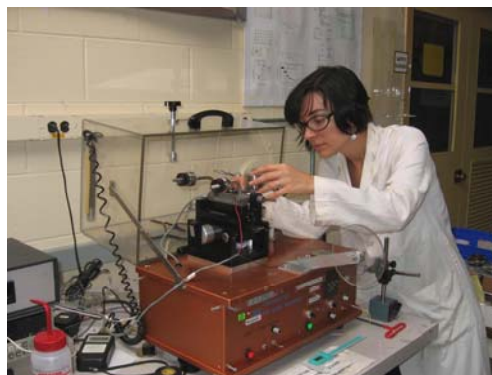

Annually, the Laboratory Director holds an event where all postdocs can meet informally. This provides postdocs with an opportunity to discuss matters with Laboratory management.

### Social Gatherings

The Postdoctoral Office organizes pizza lunches with supervisors, postdoctoral committee members, and Argonne management. These social events allow young researchers to meet and interact with Argonne staff in an informal setting.

Announcements of the date and location of these activities, and other events, are made available on the Postdoctoral Office Activities website at [www.dep.anl.gov/Postdocs](http://www.dep.anl.gov/Postdocs).

## Postdoctoral Programs

## Contact Information:

Dr. Giselle Sandi  
Postdoctoral Programs Coordinator  
Argonne National Laboratory  
Division of Educational Programs  
9700 S. Cass Avenue, Bldg. 223  
Argonne, IL 60439 USA

Phone: 630-252-1903

Fax: 630-252-3193

A U.S. Department of Energy laboratory managed by UChicago Argonne, LLC  
Argonne is an equal opportunity employer.

## Named Postdoctoral Fellowship Program

Argonne offers Named Postdoctoral Fellowships on an annual basis to outstanding doctoral scientists and engineers who are at early points in promising careers. The fellowships are named after scientific and technical luminaries who have been associated with the laboratory, its predecessors and the University of Chicago since the 1940s, including:

- George W. Beadle, biologist
- Arthur Holly Compton, high energy particle physicist
- Ugo Fano, atomic physicist
- Willard Frank Libby, nuclear chemist
- Nicholas Metropolis, computational physicist
- Glenn Seaborg, chemist
- David Schramm, astrophysicist
- Harold Urey, nuclear chemist
- Eugene Wigner, theoretical physicist
- Walter H. Zinn, nuclear reactor physicist

### 2008 Argonne Named Fellowships

Candidates for the Argonne National Laboratory Named Fellowships must display superb ability in scientific or engineering research and must show definite promise of becoming outstanding leaders in the research they pursue.

Fellowships are awarded for a two-year term, with possible renewal for a third year. The 2008 Fellowship carries a stipend of \$72,000 minimum per annum with an additional allocation of up to \$20,000 per year for research support and travel. The Fellows, who will be competitively selected by a special fellowship committee, are given the opportunity to interact with Argonne scientists in a research area of common interest.

### How to Apply

The application package requires the following documents:

- Nomination memo ( $\leq 2$  pages) from Argonne sponsor (with copy to Division Director).
- Research proposal ( $\leq 2$  pages).
- Three letters of recommendation from other than Argonne staff.
- CV.
- List of publications, abstracts, and significant presentations.
- Graduate school and undergraduate transcripts.

The sponsor could be someone who is already familiar with your research work and accomplishments through previous collaborations or professional societies. If you have not yet identified an Argonne sponsor, visit the detailed websites of the various Research Programs and Research Divisions at [www.anl.gov](http://www.anl.gov).

### Send all application material to:

Named-Postdoc@anl.gov by October 22, 2007. In the subject line, please include the name of the candidate.

## Director's Postdoctoral Fellowships

Candidates for the Director's Postdoctoral Fellowships are selected quarterly based on their research and academic accomplishments and the strength of their research proposals. Postdocs collaborate with Argonne scientists and engineers on existing programs and on new initiatives. All applicants must identify an Argonne sponsor. The sponsor should ideally be someone who is already familiar with your research work and accomplishments through previous collaborations or professional societies. If you have not yet identified an Argonne sponsor, visit the detailed websites of the various Research Programs and Research Divisions at [www.anl.gov](http://www.anl.gov).

The candidates' application packages are reviewed by the Postdoctoral Committee and are considered four times per year. Deadlines are March 5, June 4, September 3, and November 5, 2007. Fellowships are awarded for a two-year term.

### Candidate Eligibility

PhD requirements have to be completed by commencement of appointment. Candidates must have received their PhD recently.

### How to Apply

The application package requires the following documents:

- Nomination memo ( $\leq 2$  pages) from Argonne sponsor (with copy to Division Director).
- Research proposal ( $\leq 2$  pages).
- Three letters of recommendation from other than Argonne staff.
- CV.
- List of publications, abstracts, and significant presentations.
- Graduate school and undergraduate transcripts.

### Send all application material to:

Director-Postdoc@anl.gov. In the subject line, please include the name of the candidate.

## Division Postdoctoral Appointments

Division Postdoctoral Associates typically conduct research in existing Argonne science and technology programs. Candidates are selected based on their academic background and possible input to the research program as described in their proposal. Appointments are awarded for a one-year term, with possible renewal for up to two additional years. The candidates' application packages are reviewed by the Postdoctoral Committee and selection is ongoing.

A list of Division Postdoctoral openings can be found at [www.anl.gov/jobsearch](http://www.anl.gov/jobsearch). Alternatively, you can identify Argonne staff (sponsor) and inquire about future postdoctoral opportunities. The sponsor, who writes the nomination memo, could be someone already familiar with your research work and accomplishments through previous collaborations or professional societies. Also, you can visit the detailed websites of the various Research Programs and Research Divisions at [www.anl.gov](http://www.anl.gov).

### Candidate Eligibility

PhD requirements have to be completed by commencement of appointment. Candidates must have received their PhD recently.

### How to Apply

The application package requires the following documents:

- Three letters of recommendation from other than Argonne staff.
- CV.
- List of publications, abstracts, and significant presentations.

### Send all application material to:

Division-Postdoc@anl.gov. In the subject line, please include the name of the candidate. You will be contacted if additional application materials are required.
